

Nurturing the spirit of faith and learning

Continuing Our Mission

Guided always by the Gospel message and in harmony with the parish community, Our Lady of Fatima School gives our students the knowledge, skills, and values to further the Catholic ideals of faith, service, peace, and justice. As a faith-filled and diverse community, we teach our students to embrace differences and to love and serve God and our neighbors.

An Invitation To Share

Faith, Family, Future is the theme of Our Lady of Fatima School's Education Fund campaign. In our 60 year history, quality Catholic education has been an important part of the life of Fatima.

Our Lady of Fatima is a faith-centered community, teaching our students the values and beliefs of our Catholic traditions. Our dedicated parents and teachers work hard to bring to the children strong examples of their faith.

Parishioners, parents and faculty, are very proud of our children. Developing faith-filled students is the core reason for the existence of our school. In order to strengthen our capacity to realize this distinct vision of Catholic education, you are invited to join us in supporting the Our Lady of Fatima Education Fund Campaign. Your contribution to Catholic education will help ensure the campaign's success and will serve as a practical way to glorify God now and forever.

Impact of Your Gift

The Our Lady of Fatima Education Fund is a way for families, friends, and alumni to make a financial commitment to the school indicating to the children the importance of Catholic education. These dollars will be put into a separate fund to be used for various needs which include:

- Technology Enhancements
- Curriculum Enhancements
- Long-Term Financial Stability
- Capital Improvements

Dedicated to educating youth academically and spiritually in the Catholic tradition.
