(Name) (City) (State)

DATE ENTERING OLF _____ HOME E-MAIL ADDRESS _____

Dear Parents and Guardians,

Welcome to Our Lady of Fatima School. In registering your child, you are also providing information for the parish Religious Education Office. This information is necessary for us to have when we are beginning to prepare the children to receive the Sacraments, whether it be for the first time or if it is when we gather as a community to celebrate the sacraments in worship at Mass or other liturgical prayer experiences in church. Even if your child is not Catholic, this information is vital to our office.

At the bottom of the form you will see the section entitled Previous Religious Education. Please fill this out entirely as well. We also need you to list as accurately as possible the parish, city, state, and date of any sacraments received by your child, or if they have had any previous formal religious education. We also need you to please pay particular attention to answering the parish in which you are registered, as well as the parish where you are currently active and attend Mass.

If you have any questions or concerns regarding any of the information requested by this form, please feel free to call our office. You will find our phone number above in the letterhead.

Sincerely,

Madeline A. Romano, Coordinator
Religious Education Office
